Attached for the Zoning Administrator's record and review is the following supplementary information item:

- The PLN-2019-15901 (CDP-17-028M) Staff Report for the 02.06.2020 ZA meeting states the proposed composter would be located adjacent southerly to the fish cleaning facility approved under CDP-17-028. The applicant subsequently submitted a request to locate the composter in another portion of the site, approximately one-hundred feet (100') southerly of the fish cleaning facility. The proposed site is a disturbed area that is currently used for parking of automobiles, boats and trailers. Attached is a graphic of the proposed location. No other changes are proposed.

-  Fish cleaning facility location approved under CDP-17-028
-  Initial proposed composter location under CDP-17-028M
-  Amended proposed composter location under CDP-17-028M
