WHEREAS, such work involves the performance of specialized professional services of a temporary and occasional character; and

WHEREAS, COUNTY has no employees available to perform such services and is unable to hire employees for the performance thereof for the temporary period; and

WHEREAS, CONTRACTOR represents that it is adequately trained, skilled, experienced and qualified to perform the community outreach services required by COUNTY.

In the event such funding is reduced or eliminated, COUNTY shall, at its sole discretion, determine whether this Agreement shall be terminated. COUNTY shall provide CONTRACTOR seven (7) days advance written notice of its intent to terminate this Agreement due to insufficient funding.

- B. <u>Effect of Insurance</u>. Acceptance of the insurance required by this Agreement shall not relieve CONTRACTOR from liability under this provision. This provision shall apply to all claims for damages related to CONTRACTOR's performance hereunder, regardless of whether any insurance is applicable or not. The insurance policy limits set forth herein shall not act as a limitation upon the amount of indemnification or defense to be provided hereunder.

15. <u>INSURANCE REQUIREMENTS</u>:

This Agreement shall not be executed by COUNTY, and CONTRACTOR is not entitled to any rights hereunder, unless certificates of insurance, or other proof that the following provisions have been complied with, are filed with the Clerk of the Humboldt County Board of Supervisors.

Bests rating of no less than A: VII or its equivalent against personal injury, death and property damage which may arise from, or in connection with, the activities of CONTRACTOR or its agents, officers, directors, employees, licensees, invitees, assignees or subcontractors:
 - 1. Comprehensive or Commercial General Liability Insurance at least as broad as Insurance Services Office Commercial General Liability Coverage (occurrence form CG 0001), in an amount of Two Million Dollars (\$2,000,000.00) per occurrence for any one (1) incident,

- including, without limitation, personal injury, death and property damage. If a general aggregate limit is used, such limit shall apply separately hereto or shall be twice the required occurrence limit.
- 2. Automobile/Motor Liability Insurance with a limit of liability not less than One Million Dollars (\$1,000,000.00) combined single limit coverage. Such insurance shall include coverage of all owned, hired and non-owned vehicles, and be at least as broad as Insurance Service Offices Form Code 1 (any auto).
- 3. Workers' Compensation Insurance, as required by the California Labor Code, with statutory limits, and Employers Liability Insurance with a limit of no less than One Million Dollars (\$1,000,000.00) per accident for bodily injury or disease. Said policy shall contain, or be endorsed to contain, a waiver of subrogation against COUNTY and its agents, officers, officials, employees and volunteers.
- B. <u>Special Insurance Requirements</u>. Said policies shall, unless otherwise specified herein, be endorsed with the following provisions:
 - 1. The Comprehensive or Commercial General Liability Policy shall provide that COUNTY, and its agents, officers, officials, employees and volunteers, are covered as additional insured for liability arising out of the operations performed by, or on behalf of, CONTRACTOR. The coverage shall contain no special limitations on the scope of protection afforded to COUNTY or its agents, officers, officials, employees and volunteers. Said policy shall also contain a provision stating that such coverage:

It is further understood that CONTRACTOR shall not terminate such coverage until COUNTY receives adequate proof that equal or better insurance has been secured.
 - 3. The inclusion of more than one (1) insured shall not operate to impair the rights of one (1) insured against another insured, and the coverage afforded shall apply as though separate policies had been issued to each insured, but the inclusion of more than one (1) insured shall not operate to increase the limits of the insurer's liability.
 - 4. For claims related to this Agreement, CONTRACTOR's insurance is the primary coverage to COUNTY, and any insurance or self-insurance programs maintained thereby are excess to CONTRACTOR's insurance and will not be used to contribute therewith.

- 5. Any failure to comply with the terms and conditions of this Agreement shall not affect the coverage provided to COUNTY or its agents, officers, officials, employees and volunteers.
- 6. CONTRACTOR shall furnish COUNTY with certificates and original endorsements effecting the required coverage prior to execution of this Agreement. The endorsements shall be on forms approved by the Humboldt County Risk Manager. Any deductible or self-insured retention over One Hundred Thousand Dollars (\$100,000.00) shall be disclosed to, and approved by, COUNTY. If CONTRACTOR does not keep all required policies in full force and effect, COUNTY may, in addition to any other available remedies, take out the necessary insurance and deduct the cost of said insurance from the monies owed to CONTRACTOR under this Agreement.
- 7. COUNTY is to be notified immediately if twenty-five percent (25%) or more of any required insurance aggregate limit is encumbered, and CONTRACTOR shall be required to purchase additional coverage to meet the above-referenced aggregate limits.

Arcata House Partnership For Fiscal Years 2020-2021 through 2021-2022

CalFresh Outreach Partnership Proposal Guidelines for Fiscal Year 2019-20

Federal and State funding for CalFresh Outreach has created an opportunity for community-based organizations and the Humboldt County Department of Health & Human Services (DHHS) to partner in improving the overarching goal of the CalFresh program to improve the health and well-being of families and individuals. DHHS will consider a partnership request at any time during the fiscal year and the activity time frames for requests do not have to fall completely within the fiscal year. Requests can span fiscal years.

The objectives of the outreach program and this funding are to:

- Increase awareness of and enrollment in CalFresh
- Reduce barriers to CalFresh enrollment and retention
- Connect the CalFresh program to projects that increase awareness and access to healthy food and life choices that improve wellness and prevent chronic disease.

DHHS would like to partner with community-based organizations that can help with the following efforts, with the highest priority being application assistance and direct enrollment support.

- Support enrollment and retention processes with information, direct application and enrollment and retention assistance
- Educate community members about CalFresh and program changes
- Reach populations with low CalFresh participation rates (such as working families, SSI/SSP recipients, seniors, students, persons in recovery, persons with limited literacy or ability to speak/read English, transition-aged foster youth and homeless people)
- Reduce barriers to enrollment, including stigma, fear, language/literacy, and others. This could be
 by linking CalFresh to healthy nutritious food and providing CalFresh-related nutrition information
 and guidance, including how to shop for and cook nutritious food on a budget.

Interested? A complete partnership request includes a completed FY 2019-20 Partnership Request Form, Outreach Estimates Form, Partnership Request Budget Form and narrative as outlined on the request form.

Please read the contractor guidelines below and complete and return the attached CalFresh Outreach Partnership Request Form, with attachments, electronically to CalFreshOutreach@co.humboldt.ca.us or paper copies to CalFresh Outreach DHHS 929 Koster St., Eureka, CA 95501.

Application process and outreach partner program questions can be answered by the CalFresh Outreach Analyst at 707-476-4760 or by emailing CalFreshOutreach@co.humboldt.ca.us.

*If your agency has a previous contract for CalFresh Outreach, please be aware that we cannot guarantee that your new contract will start at the termination of your last agreement. In the event we cannot have a

contract executed prior to the start date of the agreement, the start date will be moved. This could cause a gap in funding.

A complete application includes this form, a completed Partnership Budget Form, Outreach Estimates Form and an attached narrative. Answer the following questions.

A. Project Description Narrative (please attach a maximum of 6 pages)

1. Please describe the activities and events that will be completed with CalFresh Outreach funding. Include the total number of people you will serve or reach and if your program will focus on a particular group or geographic area. **Be sure to include how you will encourage and assist applications and retention.**

Introduction: Since 2011, Arcata House Partnership has received funding to continue our efforts to improve the health and wellbeing of our clients through increased awareness of and enrollment in CalFresh. We have worked hard to reduce barriers to enrollment for one of the most fragile populations in our community.

Homeless families and individuals are the perfect audience for CalFresh educational materials. Many of have been living in cars, on the street or in motels, giving them little experience with cooking or even sitting down and eating meals. They tend to be unfamiliar with fresh produce and accustomed to eating "fast" or prepared foods, which tend to be less healthy and considerably more expensive than cooking fresh food. They are frequent consumers of sweet drinks and foods. They may not be aware of how to store food safely or how to use fresh food in a timely manner before it spoils.

Case managers teach the clients about shopping for, cooking, storing and eating healthy home-cooked meals. They frequently drive clients to shop for food and help them learn to try new products and shop for good deals. They use CalFresh educational resources to teach clients about available food resources, healthy food choices, nutrition, healthy cooking or eating and other nutrition messages. Many of our clients struggle with obesity and chronic diseases like diabetes, so messages about obesity prevention, active living and fitness are also valuable

- 1. Describe the activities and events that will be completed with CalFresh Outreach Funding:
 - a. CalFresh Outreach
 - i. Nutritious lunches are prepared four days a week in the commercial kitchen at the AHP Annex and distributed to hungry people at several pre-arranged sites by a certified food handler using a licensed catering truck.
 - ii. An outreach worker travels with the Outreach vehicle and offers information on Cal Fresh guidelines and de-stigmatization messages.
 - iii. All clients are screened for CalFresh eligibility

- iv. Each client who receives a meal also receives a wallet-sized card that outlines program benefits and requirements, de-stigmatization messages and the website, phone number and physical address to apply for benefits.
- v. The outreach worker is available to answer questions and offer encouragement and can make appointments for application assistance with the Annex Case Manager on the spot.
- vi. During 2015, we expanded the number of sites we visit with this program and also worked closely with the Arcata Police Department to make clients feel more at ease and the community at large feel safer.

b. Emergency Shelter Programs:

- i. All clients at both the family and adult shelters are screened for CalFresh Eligibility upon entry and regularly thereafter. Case managers assist with applications and re-certifications.
- ii. Adult shelter clients are served breakfast and lunch each day. Many times dinners are donated by local religious congregations, but if not, they are provided
- iii. Family Shelter clients are encouraged to cook for themselves, but case managers are available to help and offer food as needed.
- iv. CalFresh educational materials are available and clients are encouraged to participate in garden and food demonstrations.

c. Permanent Supportive Housing.

- i. This program serves people who are chronically homeless and disabled. Upon entry into the program, each client receives a complete benefits assessment including an assessment of CalFresh eligibility.
- ii. All clients are offered CalFresh educational materials, assistance with applications (mostly applicable to clients who are social security pending), rides to the county welfare office, help obtaining identification and other necessary documentation, assistance obtaining a phone interview and help accessing online application materials.
- iii. Case managers offer transportation assistance to the food bank.

d. Food Gleaning Project:

- i. Gleaner visits local supermarkets and restaurants to gather food that is edible, but past the "sell date".
- ii. The gleaned food is distributed to people who would be hungry without it. The primary beneficiaries of the gleaned food are Arcata House Partnership, the McKinleyville Family Resource Center, Blue Lake Resource Center and Food for People.
- iii. The gleaner delivers some produce and edible food to homebound seniors and gravely disabled adults and takes inedible food to a local pig farm.

e. Other Agency Support

- i. AHP was asked to support a food closet at the high school for homeless students and their families which allowed AHP to provide food and CalFresh referral and applications and materials to 30 families;
- ii. The unincorporated area of Manilla asked for assistance. With nearly 800 residents in 350 households who are mostly low and very low income, the area found itself in need of assistance when the mills closed leaving most people far from services and without income. The CalFresh grant that AHP administers supports approximately 40 families by providing gleaned and purchased food, information about CalFresh and referrals to the Case Manager for assistance with applications, nutrition, and menu planning:
- iii. The unincorporated area of Samoa has asked that AHP provide the same service for them. With 250 people living in the area in 50 families the same economic blight hit them when the logging and mill industry shut down;
- iv. AHP supports food programs for food insecure families at the Blue Lake Family Resource Center and the Arcata Family Resource Center;

- v. Churches and Faith-based organizations Arcata Presbyterian Church provides food 1 day a week for people who are food insecure. AHP supports the food shopping needs. The Arcata United Methodist Church provides lunches 2 days each week for people who are food insecure. During the summer months AHP will prepare and provide the lunches on Fridays;
- vi. AHP managed the Arcata Food Pantry. An average of 80 people per week will be served through this program. Each person is offered information about the CalFresh program and is provided assistance to apply or re-apply for the benefits;
- vii. AHP provides support for those community members who are food insecure at our One-Stop location. Services include education, outreach, support and assistance to people through all of these programs and connection with staff who can help them apply or re-apply for benefits.
- 2. What difference will CalFresh funding and increased enrollment make in your community or neighborhood and for the population you are serving? How will the proposed activities fit into or relate to other programs in your organization and community?

The mission of the Arcata House Partnership is to support people who are experiencing homelessness while they build a more stable life. This may include a full continuum of services from engagement to permanent housing. Enrollment in CalFresh can help individuals and families avoid food insecurity while they are working to build a more stable life. It can also help them remain housed once they secure permanent housing by decreasing the proportion of their income they need to spend on food.

CalFresh outreach through our programs for people who are living on the street, chronically homeless emergency shelter clients and chronically homeless people with disabilities can help clients who are hesitant to engage with mainstream benefit programs take the first steps in reintegrating into our community. The clients who live in our emergency shelter facilities will receive CalFresh application assistance and education around shopping, food choices and nutrition, cooking and food storage to our already robust life-skills education. Clients will be taught that CalFresh benefits will help clients feed themselves and their families healthy food at a lower cost—leaving them with money to pay rent and meet other expenses when they secure a home. The skills they gain will be important in helping them succeed when they leave our program for permanent housing

Offering healthy nutritious meals and screening every participant will increase the number of people who are aware of CalFresh and other programs that can help them make the transition to permanent housing as well as reducing food insecurity for a very vulnerable population. CalFresh has the potential to give homeless clients the "boost" that makes it possible for low-income families and individuals to move from emergency shelter into homes of their own. We look forward to continuing our partnership with CalFresh to benefit some of the most vulnerable and needy individuals and families in our community.

3. Please describe your organization's capacity to succeed with the proposed project and your plans, if any, for continuing the work after the proposed project is complete.

Formed through a merger of two experienced and well-regarded organizations, Arcata House Partnership offers a comprehensive range of homeless services from initial engagement, emergency shelter and permanent supportive housing. Our programs offer a relationship with clients that is for screening for CalFresh, for helping clients apply and reducing the stigma attached to doing so. With over 20 years of experience, our team knows the population we serve well, and is skilled at knowing the most effective ways to engage them with the services and supports that will result in permanent housing.

Arcata House Partnership successfully and routinely manages funding from a variety of private and public resources including, but not limited to HUD Supportive House Program funding, Federal Emergency Solutions funding, private foundations, local businesses and service clubs, faith-based congregations and from hundreds of individual community supporters. We look forward to a continued partnership with the CalFresh Outreach Program to reduce food insecurity in a very fragile and vulnerable population.

Report Narrative:

Use the narrative section to explain the Outreach Activities your organization completed or participated in. Remember to talk about both processes and outcomes whenever possible.

Some questions to consider when completing the narrative sections of the report:

- How did the programs/services support CalFresh Outreach?
- How did you track or calculate the number of individuals your organization is reported to have reached? There is no one way to accomplish this and each agency is different.
- Did the programs/services reach the populations it was intended to reach, and were the participants satisfied?
- What were the program results, and did the program produce the intended changes? Unintended changes?
- Was the value of the outcomes achieved worth the resources invested in the program?

Frequently Asked Questions

My agency's contract start and end dates do not align with the fiscal year. How do I know what quarterly report I am on and when the report is due?

The quarterly report cycle for CalFresh Outreach contracts is set by the DHHS fiscal year regardless of when a contract begins or terminates. If you had an active contract during any of the months listed on the cycle information at the top of this form, then you complete the applicable report. Example: if your agency had one contract stop in February and a new contract start in March, your Quarter 3 report would be due April 30th and would include data from the first contract for January through February as well as data from the new contract for March. See Exhibit F – CalFresh Outreach Reporting Guidelines in your executed contract for more information.

What is a special population?

A special population is an identified sector of the population that has low enrollment in the CalFresh program. This could be folks who live rurally, students, persons aged over 65, ESL customers or any number of other groups that have barriers to program access.

How do I make sure I am not duplicating counts?

Many times people will receive multiple handouts from your agency, or you will assist multiple people in a household. If you explain how you count in the narrative section, you will be making sure your data is clear and will not need to worry about duplicating counts in error. Here is an example: if you provided an application to a family of five, this would be entered as "1" for applications provided not as "5" for each person in the home. This is because you provided one application to the household.

If I assist someone in applying for CalFresh and give them educational materials, can I count them in multiple categories on reports?

Yes. They could count in the materials distributed category and the application assisted category. The important thing to remember is that everyone tracks their numbers differently and may have different ideas about what counts in one area versus another when completing reports. Explain how your agency does it in the narrative and you will have ensured you properly reported.

Where do I put how many meals or food bags were distributed?

This section has been removed from our report tracking to align with the current focus for these agreements. You can include any important information about food distribution performed by your agency in the narrative for Section B. Positive Messaging.

My agency is reusing print media developed previously that DHHS Media already approved. Does DHHS Media need to review it again?

Please send it through again. Anything that will be distributed with CalFresh messaging needs to go through DHHS Media for approval. If it was approved in the past there might be something that needs to be updated. CalFresh recently rebranded and it is important that we use current logos and information.

My report might be late due to circumstances outside my control. What do I do?

Please email <u>CalFreshOutreach@co.humboldt.ca.us</u> with the reason for the delay and the expected date the report will be submitted. This allows for a record of why the delay occurred if it is ever questioned.

Report:

In your narrative, please remember to talk about both processes and outcomes when possible.

Process evaluation attempts to answer these types of questions:

- Were the programs/services of the right quality and content to support CalFresh Outreach?
- How many individuals did you help either receive or maintain CalFresh benefits?
- Did the program reach the population that it was intended to reach? Participant count in total?
- Are those who participated satisfied with the program?

Outcome evaluation focuses on answers to these types of questions:

- What were the program results and did the program produce the intended changes? Unintended changes?
- At what level were changes sought and accomplished—short term, intermediate or long term?
- How did the programs results compare in terms of effectiveness and efficiency, and was the outcome achieved worth the resources invested in the program?

 As your contract comes to an end, discuss what your organization could have done differently to better support CalFresh Outreach? If you are planning on continuing this program, how has your organization prepared to make these changes?

Frequently Asked Questions

My agency's contract end date aligns with one of the quarterly report end dates. Do I need to submit both?

Yes. The Final Report is tied to the end date of the specific contract and must be provided. The Quarterly reports cover the months specified on that form and are due regardless of when a contract begins or ends for all months an agency had an active contract for an amount over \$15,000. This means both reports may be required at the same time if the contract termination date happens to align with quarterly reporting timeframes.

Do we need to include pictures or other documentation of our program?

It is not required that you provide additional items regarding your program. You can provide them if you would like to. Items like surveys or program pictures can be included if you wish. If you are looking to include something like program or event surveys, please summarize the information in them instead of submitting participant originals.

My agency had a small contract for \$15,000 or less, do we submit a final report?

Yes. All agencies must submit a final report summarizing their program's experience over the course of their agreement regardless of contract amount.
