Attached for the Planning Commission's record and review are the following:

A. Site Plan for APN 095-171-001

A. Site Plan for APN 095-171-001

The site Plan for APN 095-171-001 was accidentally missing from the site plan packet distributed with the staff report. The attached site plan depicts the existing water treatment facility and proposed and associated improvements to the water treatment plant and discharge pond overflow.
