Kristin,

This is the email that is the letter of support from Supervisor Michelle Bushnell.

I am in the process of getting the letters of support from the emergency services. I received the one from the Sheriffs Department. In the process of getting one from the Bridgeville Fire Department. I had sent the one to Cal Fire to the Bridgeville address, and have just forwarded it to the Fortuna office. I tried calling City Ambulance, left a message, mailed a letter in February, and hope to hear something soon.

Thanks for your assistance in this matter. I was wondering why the crosswalk would require a different process.
