

G. PETITION REQUESTING INSTALLATION OF SPEED HUMPS

We, the undersigned residents hereby request the County of Humboldt to install speed hump(s) on Kneeland Rd (street) between Bridgsville Schol. (street) and _____ (street). We certify that we are legal residents of the property affected by the speed humps. We agree that speed humps and/or signs may be placed in front of our property at the discretion of the Department of Public Works (Property owner only). We agree that, if in the future we desire to remove the speed hump(s), the hump(s) will only be considered for removal after receipt of a petition from a substantial majority (66% or more) asking for the removal, along with sufficient funds for their removal. The Department of Public Works reserves the right to remove any or all of the humps at any time at no cost to the property owners. Neighborhood Representative _____ (name) Telephone _____ (telephone)

DATE	SIGNATURE OF RESIDENT	ADDRESS (please print)	DAYTIME PHONE NUMBER	OK to install hump and/or sign in front of my residence?	Owner or Renter?

VERIFICATION STATEMENT

There is a total of 1 property in the project target area as defined by the Department of Public Works associated with the petition for a speed hump(s) on Kneeland Road between Highway 36 and 38737 Kneeland Rd, which is the CAL Fire driveway (which borders the school, there are no other cross streets nearby). There are 0 valid signatures on the speed hump petition which represent 0 % properties within the target project area. I certify that the signatures on the speed hump petition are valid; and that only one signature per dwelling unit has been considered in the above percentage.

Addendum: All properties surrounding the project area are owned by Bridgeville Properties, LLC in care of Cynthia LaPaille. Ms LaPaille had been contacted and she said that she could not give a letter of support without getting approval from her board which would not be meeting until June 2021 (after our funding would expire for the project).

However, there are approximately 7 rentals in the target area, and 6 of those residences signed the petition to support the speed hump project (attachment), which represents over 80% of the residents, and nobody contacted opposed the speed bumps.
