**Subject:** Comment on Humboldt Bay Trail South Project - 8/5/2021 Planning Commission Agenda  
**Date:** Wednesday, August 04, 2021 7:01:51 PM

---

Commissioners,

I support staffs' recommendations regarding the Humboldt Bay Trail South Project which propose that the Commission approve the required permits for this trail. Increasingly bicyclists and pedestrians are using the northern portion of this trail. Completion of the trail will encourage even more users.

Nancy Ihara
