Subject: AT&T Cell phone Tower

Hello,

We are emailing regarding Record ID 16754 and Parcel 505-151-006. We APPROVE of the cell phone tower to be 20 feet higher than the original plan. It's important to have this so a fourth carrier can be added. This would be a great asset to have for better cell phone coverage for the community!

Thank You,
Tricia and Manny Gonzales
