A Conditional Use Permit to authorize the operation of a commercial firewood cutting business, including after-the-fact permitting and use of several large buildings, built without the benefit of county review. A Non-Industrial Timber Management Plan (NTMP) was prepared for the property in 1992 and included a variety of long-term uneven aged silvicultural systems to increase the growth of Douglas-fir and provide for utility poles, sawlogs, and peeler logs across the 296-acre management unit. The NTMP estimated that the associated lands are capable of yielding 100 cords of hardwood firewood annually in accordance with CalFire limits, with possibly larger amounts of annual harvest to select for increased Douglas fir species composition within the management unit. The applicant has removed the existing saw mill building located in the northeast corner of the property because it does not comply with the Timber Production Zone (TPZ) setbacks.

G. CONTINUED PUBLIC HEARINGS

GPU Zoning Text Amendments

Record Number: 28200

Project Description: New Zoning Districts are proposed to be added to the Inland Zoning Ordinance and existing zoning text is proposed to be amended to be consistent with the 2017 Humboldt County General Plan. The Humboldt County General Plan was adopted in October, 2017 which established the kinds, locations, and intensities of land uses within the unincorporated areas of the County by applying land use designations to properties. To be consistent with the new Land Use Maps and General Plan policies and standards, new Zoning Districts are proposed to be added to the Inland Zoning Ordinance (Section 314 of Title III, Division 1, Chapter 4 of Humboldt County Code). The proposed changes being reviewed at the April 4, 2019 meeting include the following:

1. Add a new "TE - Timberland Exclusive" zone to be applied to areas with a "T - Timberland" General Plan Land Use designation that are not zoned "TPZ" or AE-B-5-(160) and part of an agricultural preserve,
2. Add a new "PRD - Planned Rural Development" Combining Zone to provide voluntary clustering of home sites on resource lands.
3. Amend Section 314-7.1 "AE - Agriculture Exclusive Zone", to increase the minimum parcel size to 60 acres, allow the uses specified in the AE - Agricultural Exclusive General Plan designation, allow subdivisions to increase agricultural productivity, and to limit conversion of prime agricultural soils;
4. Amend Section 314-7.4 "TPZ - Timberland Production Zone" to allow the uses specified in the T - Timber Production General Plan designation,
5. Amend Section 314-21.1 "F - Flood Hazard Areas" to require a Special Permit for residential development on substandard-sized parcels in a flood hazard zone,
6. Amend Section 314-61.1 Streamside Management Areas and Wetlands to align with the standards of the Open Space Element, and
7. Amend Section 312, Administration, Procedures, Amendments and Enforcement to incorporate findings of consistency with the General Plan Open Space Plan.

At the following meeting on April 18, 2019, the Planning Commission is scheduled to continue their review of the following related zoning text amendments:

8. Add Mixed Use Zones that apply to areas with MU - Mixed Use, VC - Village Center, or RCC - Rural Community Center General Plan designations,
9. Amend Section 314-17.1 "B - Special Building Site" Combining Zone to reduce the building site area for the "B-1" Combining Zone from 8,000 square feet to 6,000 square feet.

The proposed new Zone Districts would apply throughout the non-coastal areas of unincorporated Humboldt County. The Planning and Building Department is recommending the Planning Commission approve the proposed changes to the Zoning Ordinance and the Addendum to the Environmental Impact Report (EIR) for the General Plan prepared for this project.

A motion was made by Commissioner Mitchell, seconded by Commissioner Newman, to recommend the Board of Supervisors General Plan Zoning Text Amendments associated with Resolution #2 of the Staff Report and to continue the discussion and consideration of Group 1 and

Group 3 to the April 18, 2019 meeting of the Planning Commission. The motion carried by the following Roll Call vote:
