Narrative Explanation of Financial Impact:

The contribution to the Orick Volunteer Fire Department is \$5,000 and deposit with LAFCo for the fire services study is an additional \$5,000. Transactions related to these services are recorded in the Forester & Warden Budget Unit (1100281), and this expenditure was not included in the adopted budget for fiscal year (FY) 2023-24. These services are proposed to be supported with additional funding from Contingencies.

The professional services agreement with Civitas Advisors, Inc. was originally valued at \$31,500, and following authorization by your Board at the Nov. 7, 2023 meeting, was amended to include an additional \$25,000 in expenses. Transactions related to this agreement are recorded in the Economic Development Division budget unit (1120275), and this expenditure was not included in the adopted budget for FY 2023-24. The amendment to the agreement with Civitas is proposed to be supported with additional funding from Contingencies.

This supplemental budget effectuates the Board’s direction from the Nov. 7, 2023 meeting and

increases the General Fund contribution to Economic Development by \$25,000. In total, the agreement is valued at \$56,500.

Should your Board approve this request, the balance of General Fund Contingencies will be \$960,331.
