10/6/2020	1	Board of Supervisors	approved	Pass

To: Board of Supervisors

From: Agricultural Commissioner

Agenda Section: Consent

SUBJECT:

Approval of Cooperative Agreement No. 19-0727-019-SF, the Pierce's Disease Control Program Contract in the amount of \$18,639.76

RECOMMENDATION(S):

That the Board of Supervisors:

1. Approve Cooperative Agreement No. 19-0727-019-SF known as the Pierce's Disease Control Program contract between Humboldt County and the California Department of Food and Agriculture;
2. Authorize the Chair to sign the original agreement and direct the Clerk of the Board to return all copies to the Agriculture Department for further processing; and
3. Grant a waiver from the provisions of the Nuclear Free Ordinance.

SOURCE OF FUNDING:

California Department of Food and Agriculture (CDFA)

DISCUSSION:

The waiver from the provisions of the Nuclear Free Ordinance is requested because the State of California will not modify its "cooperative agreements" to accommodate local ordinances. The Agricultural Commissioner's office receives annual funding from CDFA to off-set local costs

associated with implementing mandated state programs at the County level.

The Pierce's Disease Control Program (PDCP) contract funds trapping and survey activities that are intended to protect Humboldt County's viticulture industry from a serious disease known as Pierce's Disease. Pierce's Disease is caused by the bacterium *Xylella fastidiosa* and is spread by the Glassy-winged Sharphooter (GWSS). In addition to grapes, GWSS infests many species of ornamental plants and nursery stock. To prevent the spread of Pierce's Disease to Humboldt County, the PDCP program monitors nursery stock and other plant product shipments from areas under quarantine for GWSS. Agriculture Department staff also place and inspect GWSS traps at nurseries and in ornamental plantings of residential areas surrounding nurseries. Standard Agreement No. 19-0727-019-SF provides two years of funding for the PDCP in Humboldt County (FYs 2020-21 and 2021-22).

FINANCIAL IMPACT:

There is no net cost to Humboldt County for the Pierce's Disease Control Program. All costs for personnel, mileage and supplies will be reimbursed by CDFA. Standard Agreement No. 19-0727-019-SF provides \$18,639.76 (\$9,319.88 in each of the fiscal years covered by the agreement) for Agriculture Department activities related to the Pierce's Disease Control Program for two fiscal years from July 1, 2020 to June 30, 2022. Costs are billed to CDFA on a monthly basis and payment is made in arrears to Humboldt County. These costs and expenditures were include in the FY 2020-21 budget for the Agriculture Department (budget unit 1100-262), so there is no additional impact to the General Fund.

STRATEGIC FRAMEWORK:

This action supports your Board's Strategic Framework by enforcing laws and regulations to protect residents Click here to type another item(s) from the Strategic Framework, or leave as a period.

OTHER AGENCY INVOLVEMENT:

CDFA

ALTERNATIVES TO STAFF RECOMMENDATIONS:

Board discretion
