DISCUSSION:

The amended and retitled classifications of Youth Support Specialist I/II and Senior Youth Support Specialist were developed to address the Department of Health and Human Service's (DHHS) need to monitor behavior and assist with supervision of children and adolescents in a residential or community setting most often because of a child's connection to Child Welfare Services (CWS).

The adoption of these classifications will increase DHHS's ability to more effectively serve children, adolescents, and foster care providers while also assisting other DHHS CWS personnel who are currently filling this role on an ad hoc basis.

In anticipation of the approval of these classifications, DHHS budgeted for two Youth Support Specialist I/II positions and one Senior Youth Support Specialist in their FY 20-21 budget. Due to this fact, there are no additional financial impacts to these recommendations.

FINANCIAL IMPACT:

There are no additional financial impacts to these recommendations. DHHS will budget accordingly for their allocated positions moving forward.

STRATEGIC FRAMEWORK:

This action supports your Board's Strategic Framework by providing community-appropriate levels of service .

OTHER AGENCY INVOLVEMENT:

Department of Health and Human Services

ALTERNATIVES TO STAFF RECOMMENDATIONS:

The Board may choose not to adopt these amended and retitled classifications. This is not recommended as this will not allow DHHS to recruit and retain the needed staff to meets the needs of the community.
