DISCUSSION:

The Humboldt County Resource Conservation District (HCRCD) was formed in 1987 as a special district of the County of Humboldt. The HCRCD is a non-regulatory organization that works in

voluntary cooperation with landowners, residents and community groups to provide information, technical assistance and funding to implement practices that improve and protect water quality and natural habitat on private lands. The district's function is to assist private landowners in voluntary planning, design and installation of soil and water conservation practices in Humboldt County. The district is governed by a Board of Directors made up of volunteer community leaders appointed by the Humboldt County Supervisors. The HCRCD is funded through public grants and contracts.

On Jan. 22, 2019, the Humboldt County Board of Supervisors ("Board") approved the license agreement with the HCRCD which is set to terminate on Jan.31, 2024. The license agreement provides 168 square feet of office space located in the county's Agricultural Building at 5630 South Broadway, Eureka. In return for providing office space for the HCRCD, the County of Humboldt benefits from state, federal and private funds utilized by the HCRCD to implement resource conservation projects on behalf of the residents of Humboldt County.

Staff is requesting that your Board approve this first option to extend the term of this license, beginning on Feb. 1, 2024, and ending on Jan. 31, 2026, all terms and conditions of the 2019 license agreement shall remain in effect.

FINANCIAL IMPACT:

Narrative Explanation of Financial Impact:

There are some incremental costs to the county by providing space, utilities and maintenance of the building. These are small compared to the benefits to the county and its residents from the resource conservation measures and grant funding provided to Humboldt County by the HCRCD.

STAFFING IMPACT:

Narrative Explanation of Staffing Impact:

No impact to staffing is expected.

STRATEGIC FRAMEWORK:

This action supports the following areas of your Board's Strategic Framework.

Core Roles: Provide for and maintain infrastructure

New Initiatives: Manage our resources to ensure sustainability of services

Strategic Plan: N/A

OTHER AGENCY INVOLVEMENT:

Humboldt County Agricultural Commissioner

Humboldt County Resource Conservation District (HCRCD)

ALTERNATIVES TO STAFF RECOMMENDATIONS:

The Board may decide not to approve this lease option. However, staff does not recommend this alternative as this facility fully fits the needs of the HCRCD, including size and location.
