Title: Sacred Solutions, Inc. Special Permits
Record Number PLN-10790-SP
Assessor's Parcel Number (APN) 218-111-004.
New Harris Area

The applicant is seeking a Special Permit for 5,421 square feet of existing outdoor commercial cannabis cultivation. No ancillary propagation is required. Water for irrigation is sourced from an existing well and is stored in hard-sided tanks totaling 101,000 gallons of available water storage. Projected annual water use totals 70,000 gallons. All processing for the project will occur onsite in an existing 448 square foot structure. All energy for the project will be sourced from solar panels, however, a generator is onsite to provide supplemental energy approximately 3-4 days per year. The applicant is also seeking a Special Permit for remediation efforts within the Streamside Management Area.
