**DISCUSSION:**

The Humboldt County Behavioral Health Board is a requirement of Welfare and Institutions Code 5604 and was established per the Lanterman-Petris-Short Act of 1967. The Behavioral Health Board currently consists of six members but can have a maximum of 15. Members of the Behavioral Health Board attend one monthly meeting, are expected to join a subcommittee and serve three-year terms.

The county and the Department of Health and Human Services actively support the Behavioral Health Board. Meetings of the Behavioral Health Board are subject to the provisions of the Brown Act. Counties are encouraged to appoint individuals who have experience and knowledge of the mental health system. The Behavioral Health Board should reflect the diversity of the client population in the

county.

50% of the membership shall be consumers or the parent, spouse, sibling or adult children of consumers who are receiving or have received mental health services. Laura Montagna is a family member of a consumer and will help maintain the membership goal.

The Behavioral Health Board has approved forwarding this application to the Board of Supervisors for final approval.
