Title: LSK Art, LLC, Conditional Use Permit
Record Number PLN-12556-CUP
Assessor Parcel Numbers (APNs) 317-182-021 and 317-033-007.
Shower's Mountain/Pilot Ridge area

A Conditional Use Permit for 13,686-square-feet of existing outdoor cannabis cultivation. All water used for cultivation is sourced from a permitted groundwater well (18/19-0279) and two surface water diversions located in an unnamed Class II watercourse. A total of 115,000 gallons of hard tank storage is proposed. Estimated annual water usage is 125,932 gallons (8.4 gallons/SF/year). Drying and curing occurs onsite and all processing is currently done outdoors using a trimming machine. Future processing activities will be conducted offsite at a licensed facility. Electricity is sourced from six diesel generators. A Special Permit is also requested for the ongoing use and maintenance of two points of diversion from a Class II watercourse.
