SOURCE OF FUNDING:

DISCUSSION:

On June 21, 2022, Ferndale Unified School District passed Resolution No. 22-08 to place a General Obligation Bond Measure in the amount of \$7,700,000, subject to approval of 55% of the votes cast by

the qualified electorate. Further, Resolution No. 22-08 requests the Humboldt County Board of Supervisors consolidate this election with the General Election to be held on November 8, 2022, directs county election officials to conduct the necessary election, and states that Ferndale Unified School District agrees to reimburse the county for all costs associated with the special election.

The question to be submitted to the voters shall read:

“To improve the quality of educational facilities; repair or replace leaky roofs; improve student access to computers and modern technology; replace outdated plumbing systems; and modernize outdated classrooms, restrooms, and school facilities; shall Ferndale Unified School District’s measure to issue \$7,700,000 in bonds at legal interest rates be adopted, raising approximately \$461,000 annually while bonds are outstanding averaging 6¢ per \$100 of assessed value, with oversight, annual audits and all funds improving local schools?”

FINANCIAL IMPACT:

Election consolidation will ultimately not impact the General Fund. All funds advanced by the General Fund will be fully reimbursed by Ferndale Unified School District.

STRATEGIC FRAMEWORK:

This action supports your Board’s Strategic Framework by providing community-appropriate levels of service and building interjurisdictional and regional cooperation.

OTHER AGENCY INVOLVEMENT:

Ferndale Unified School District

ALTERNATIVES TO STAFF RECOMMENDATIONS:

Your board could choose not to approve the consolidation of Ferndale Unified School District special election with the General Election. This is not recommended as this request is compliant with Elections Code, Section 10400. Additionally, not consolidating the election would require the Office of Elections to conduct multiple elections simultaneously, increasing costs to both the county and district.
