DISCUSSION:

The County of Humboldt (County) adopted Ordinance No. 2561 on Oct. 4, 2016, amending the Public Employees’ Retirement System (PERS) Contract to include a share of the employer’s cost for retirement contributions with county employees. This cost share provided a 3% increase in base salary for employees and in turn diverted 3% of the county’s share of the retirement contributions to county employees. An exception was noted in the Memorandum of Understanding (MOU) between the county and the Humboldt County Deputy Sheriff’s Organization (HDSO) ratified and approved by the Board of Supervisors on Jan. 12, 2016. This exception provided a tiered cost-share for employees identified as ‘new’ (CalPERS PEPPRA) members, that limited the share of cost for those employees so that the total cost did not exceed 12%, except as where required by law. The revision to the CalPERS contract being sought currently addresses an outdated .25% share of cost, assigned to these members, that currently remains in the counties Public Employees’ Retirement System contract. The requested amendment removes the .25% share, changing the ‘new’ HDSO member share of cost to 0%. This change is compliant with the current MOU between the County of Humboldt and HDSO and Public Employee Retirement Law. The effective date of the contract amendment will follow the adoption of the ordinance.

FINANCIAL IMPACT:

There is no financial impact as a result of this contract amendment. The additional share of cost is currently being covered by the county as charging the employees for this cost share would be a violation of their MOU.

STRATEGIC FRAMEWORK:

This action supports your Board’s Strategic Framework by investing in county employees .

OTHER AGENCY INVOLVEMENT:

CalPERS

ALTERNATIVES TO STAFF RECOMMENDATIONS:

Your Board could choose to not adopt the recommended Ordinance and certifications. However, this is not recommended, as the County would continue to have to manually correct CalPERS bi-weekly reporting to comply with the CalPERS contract and be in compliance with current memoranda of understanding with our recognized employee organizations.
