DISCUSSION:

The County of Humboldt has been using the legal services of Porter Scott (PS) since March 2017. Porter Scott provides legal representation to the county in litigation involving civil rights and negligence claims. Initially, services were provided pursuant to an agreement relating to the matter of

Magney v. County of Humboldt, et al. (1:17-cv-02389-NJV) that was executed by the parties on March 16, 2017. Litigation payments to Porter Scott for other cases were generally approved by the Board, but the County Counsel (Jeffrey S. Blanck) did not prepare or submit additional retainer agreements for Board approval. Nevertheless, services and payments continued at the direction of the County Counsel without agreements in place. The Board's action today will ratify the payments that have been made to Porter Scott for past services as detailed in the attachment.

A new agreement is provided for your Board's approval. This agreement will take effect as of today's date and will continue through June 30, 2020. The agreement encompasses litigation expenses for ongoing cases. Future litigation expenses will be authorized and detailed through individual retainer agreements.

FINANCIAL IMPACT:

The county has already paid Porter Scott for most of the services performed to date; this item only secures the Board's ratification of the prior payments. Ongoing expenses under the new agreement are funded through the Liability Fund. The new agreement from today's date through June 2020 sets a maximum payable amount of one hundred thousand dollars (\$100,000).

STRATEGIC FRAMEWORK:

This action supports your Board's Strategic Framework by enforcing laws and regulations to protect residents.

OTHER AGENCY INVOLVEMENT:

County Administrative Office, Risk Management, Auditor.

ALTERNATIVES TO STAFF RECOMMENDATIONS:

The Board could choose not to ratify the past payments and approve the agreement. This is not recommended as Porter Scott is currently representing the county in ongoing matters.
