SOURCE OF FUNDING:

United States Department of Agriculture, Forest Service - Six Rivers National Forest

DISCUSSION:

The USDA-FS makes funds available via Six Rivers National Forest through a 5-year Cooperative Law Enforcement Master Agreement for law enforcement and drug operations services in Forest Service campgrounds and on roads maintained by the Forest Service. The current 5-year agreement was approved by your Board on Oct. 13, 2015 for the period beginning October 1, 2015 through September 30, 2020. Modifications are signed each year for approval of annual financial plans, for both the Patrol Operating and Financial Plan (Attachment 1) and the Controlled Substance Operating and Financial Plan (Attachment 2).

The Cooperative Law Enforcement Master Agreement establishes a cooperative effort between HCSO and local Forest Service offices to enhance local law enforcement on National Forest Service lands and provide reimbursement to HCSO for services provided under this agreement.

This state standard agreement comes to the Board after the effective date due to negotiations and delays in formalizing the agreement with the USDA-FS.

FINANCIAL IMPACT:

The USDA Forest Service Cooperative Law Enforcement 5-year Master Agreement authorizes reimbursement for services provided to the Forest Service by the HCSO. Reimbursement rates are negotiated each year with operating agreement modifications that begin October 1<sup>st</sup> each year and expire September 30<sup>th</sup> of the following year. Modifications 012 and 013 are detailed as follows:

Modification	Expiration	Amount
Patrol Operating Plan Modification 012	Sept. 30, 2020	\$ 8,000
Controlled Substance Operations Plan Modification 013	Sept. 30, 2020	\$13,201

STRATEGIC FRAMEWORK:

This action supports your Board’s Strategic Framework by seeking outside funding sources to benefit Humboldt County needs.

OTHER AGENCY INVOLVEMENT:

United States Department of Agriculture, Forest Service - Six Rivers National Forest

ALTERNATIVES TO STAFF RECOMMENDATIONS:

The Board could deny approval of these Cooperative Plans; however, this is not recommended as it would leave the county without reimbursement for services performed on USDA-FS lands.
