### SUBJECT:

Professional Services Agreement between County of Humboldt and Narum Clinical Services for Sex Offender Treatment Services

### RECOMMENDATION(S):

That the Board of Supervisors:

1. Approve the professional services agreement with Narum Clinical Services for sex offender treatment services in an amount not to exceed \$60,000 (Attachment 1); and
2. Authorize the Chief Probation Officer to sign this agreement and any future amendments after approval by County Counsel, Risk Management and the County Administrative Office.

### SOURCE OF FUNDING:

Humboldt County Public Safety Realignment Allocation (Fund 3741) and 1100-235

### DISCUSSION:

Narum Clinical Services (NCS) provides weekly sex offender treatment for juvenile and adult offenders via their California Sex Offender Management Board (CASOMB) certified sex offender treatment program. This is the only certified sex offender management program in Humboldt County. As part of its program, NCS performs a level of treatment assessment and develops a treatment plan

that includes the use of State Authorized Risk Assessment Tools for Sex Offenders (SARATSO), polygraph services using the containment model, which is a method of case management and treatment that emphasizes victim protection and public safety and implements strategies that depend on agency coordination and multi-disciplinary partnerships to hold sex offenders accountable, and regular communication with the Probation Department.

Probation will be referring offenders to NCS and subsidizing the cost of treatment of offenders who are not able to afford treatment. These services are critical to holding offenders accountable and maintaining public safety and NCS is the only provider in Humboldt County which meets the necessary criteria to perform this type of treatment. The contract term is two fiscal years, expiring in June of 2024.

FINANCIAL IMPACT:

The cost of this agreement is \$60,000 and will be paid through Probation's Realignment budget unit (294) which is funded with the Humboldt County Public Safety Realignment allocation (Fund No. 3741) and 1100-235. This cost was anticipated and included in the Fiscal Year (FY) 2022-23 budget therefore no supplemental budget request is required. The cost for FY 2023-24 will be funded by the same funding sources and will be included in the annual budget cycle.

STRATEGIC FRAMEWORK:

This action supports your Board's Strategic Framework by providing community-appropriate levels of service.

OTHER AGENCY INVOLVEMENT:

None

ALTERNATIVES TO STAFF RECOMMENDATIONS:

The Board may elect not to approve this agreement however this is not recommended. Narum Clinical Services provides a service not otherwise available in Humboldt County and one that has an important impact on public safety.
