DISCUSSION:

There is no need to retain 37.5-hour classifications in the county classification system as employees may request voluntary reduced FTEs, the Human Resources department’s goal is to phase out 37.5-hour classifications.

The Human Resources department is seeking approval to abolish the 37.5-hour classification, Secretary (37.5) (class 0165, salary range 341) from the classification system. Additionally, as there is one incumbent currently in the .54 FTE 37.5-hour Secretary classification, the Human Resources department recommends allocating .5 FTE 40-hour Secretary and transferring the incumbent out of the 37.5-hour class into the .5 FTE Secretary position.

FINANCIAL IMPACT:

Narrative Explanation of Financial Impact:

There will be a \$259 increase in the Fiscal Year (FY) 2023-24 budget by allocating 0.5 FTE Secretary in UC Cooperative Extension (UCCE), budget unit 632. There are sufficient salary savings to support the increased cost in FY 2024-25 due to staffing transitions and reduced hours for position. The salary and benefit costs associated with the change in position allocation will be included in the proposed FY 2024-25 budget.

STAFFING IMPACT:

Position Title	Position Control Number	Monthly Salary Range (1A-E Step)	Additions (Number)	Deletions (Number)
Secretary (37.5)	632-0165-02	\$17.99 - \$23.09		1
Secretary	632-1165-TBD	\$17.99 - \$23.09	1	

Narrative Explanation of Staffing Impact:

The staffing impact will be minimal from this change. The current incumbent of the 37.5-hour classification will be transferred to the corresponding 40-hour class. The 37.5-hour classifications will

also be deallocated and reallocated with the 40-hour class. There will be no additional allocations or staffing changes.

STRATEGIC FRAMEWORK:

This action supports your Board's Strategic Framework priority of managing our resources to ensure sustainability of services and investing in County employees.

ALTERNATIVES TO STAFF RECOMMENDATIONS:

The Board could deny this request for position allocation modifications for the UCCE and revisions to the Comprehensive Compensation Schedule and Classification Summary.

This is not recommended as these changes will appropriately classify and allocate positions within the UCCE and will assist in retaining qualified personnel to meet the needs of the public.
