DISCUSSION:

The County of Humboldt has participated in the WIC program since 1976. WIC provides individualized nutrition counseling, breastfeeding support, a WIC card to purchase healthy foods for low-income women and their children as well as referrals to health care providers and medical clinics. The target population includes women who are pregnant, breastfeeding or have recently delivered a baby as well as infants and children less than five years of age. DHHS - Public Health WIC serves approximately 2,610 participants per month. WIC is federally funded; CDPH is responsible for administering these funds for local WIC programs in the state of California.

The State Standard Agreement # 22-10250 before the Board today is to continue to provide WIC funding from October 1, 2022, through September 30, 2025, in the amount of \$3,471,793.

FINANCIAL IMPACT:

State Standard Agreement # 22- 10250 will allow CDPH to reimburse DHHS - Public Health for services up to a maximum \$3,471,793 for the period of October 1, 2012 through September 30, 2025. These funds were anticipated and are included in the proposed fiscal year (FY) 2022-2023 county budget in the amount of \$1,165,331 in Fund 1175, Budget Unit 415 - WIC. The funding amounts for FY 2023-24 and FY 2024-25 will be included in the annual county budgeting process. There is no impact to the General Fund.

STRATEGIC FRAMEWORK:

This action supports your Board's Strategic Framework by protecting vulnerable populations and providing community-appropriate levels of service.

OTHER AGENCY INVOLVEMENT:

N/A

ALTERNATIVES TO STAFF RECOMMENDATIONS:

Your Board may choose not to approve the agreement with CDPH for WIC funding. However, DHHS - Public Health does not recommend this as the WIC program is federally funded and provides services to low-income families throughout the County of Humboldt.
