SOURCE OF FUNDING:

DISCUSSION:

The Clerk/Recorder, as the official custodian of records for the County of Humboldt, is responsible for

maintaining real property records. AB 1466 requires the county recorder to establish a restrictive covenant modification program to assist in the redaction of unlawfully restrictive covenants (clauses that mandate housing discrimination based on race, color, religion, sex, gender, gender identity, gender expression, sexual orientation, marital status, national origin, ancestry, familial status, source of income, disability, veteran or military status, or genetic information) which are in violation of subdivision (l) of Government Code Section 12955. This action will enable the County's compliance with State legislation.

Subject to authorization from the Board pursuant to Government Code 27388.2, a county recorder shall impose a fee of \$2.00 to be paid at the time of the recording of every real estate instrument, paper, or notice required or permitted by law to be recorded, for the purpose of funding the restrictive covenant modification program established under these provisions. The fee will be charged thirty (30) days after board approval. The bill would exempt certain documents from the fee established pursuant to these provisions. It would prohibit a county recorder from charging the \$2.00 fee after December 31, 2027, unless the Board of Supervisors reauthorizes the fee for a maximum of five (5) additional years.

FINANCIAL IMPACT:

The Clerk/Recorder is working with BMI Imaging Systems to develop a software program that will search for documents, create a digital copy, redact restrictive language in a duplicate document and allow County Counsel to review the documents prior to recording. Estimated cost for BMI Imaging's software program is \$30,000. An additional \$26,800 to be budgeted for any modifications and/or additions to the project. The estimated staffing cost is \$43,200. Total estimated cost of this project is \$100,000 with dedicated fees covering roughly \$14,000 and existing 1310 funding covering the remaining balance.

STRATEGIC FRAMEWORK:

This action supports your Board's Strategic Framework by enforcing laws and regulations to protect residents .

OTHER AGENCY INVOLVEMENT:

County Counsel

ALTERNATIVES TO STAFF RECOMMENDATIONS:

Your board could choose to reject the Restrictive Covenant Modification Program and fee, however this is not recommended. Approval will ensure compliance with the new state law and enable the Clerk/Recorder to collect the additional fee to offset the cost of the program.
