DISCUSSION:

Effective January 1, 2023, the California state minimum wage will increase from \$15 per hour to

\$15.50 per hour. This increase will impact approximately 50 classifications in the county's classification and compensation structure. Increases to minimum wage over the last several years have led to significant minimum wage compaction and has eliminated appropriate differentials between entry and journey level classifications in the same career ladder.

In response, the County Administrative Office and Human Resources tasked Municipal Resource Group (MRG) with developing a multi-phased approach to addressing several years of minimum wage compaction and misalignment in the county's classification and compensation structure. In developing Phase 1, MRG intended to comply with 2023 California minimum wage and establish 5% differentials in the career ladders impacted by minimum wage. It should be noted that the focus of Phase 1 is to address minimum wage-related compaction within the county's classification and compensation structure. Therefore, later phases of MRG's multi-phased approach will be focused on other areas such as:

- Severe compaction between classifications
- Moderate compactions between classifications
- Major alignment issues between classifications
- Miscellaneous compaction and alignment issues

To comply with 2023 minimum wage and the negotiated two (2) percent COLAs for Units 1-4, MRG has recommended placing the following 40-hour classifications at salary range 333:

- Animal Shelter and Care Attendant I
- Assessment Technician I
- Child Care Worker
- Child Support Assistant I
- Custodian
- Election Worker
- Election Worker - Rover
- Fiscal Assistant I
- Laborer
- Legal Clerk I
- Legal Office Assistant I
- Mail Services Driver
- Medical Clinic Assistant I
- Medical Office Assistant I
- Mental Health Cook's Aide
- Office Assistant I
- Parent Partner I
- Peer Coach I
- Recordable Documents Examiner I
- Services Support Assistant I

- Stock Clerk
- Student Professional Worker
- Vocational Trainee

To comply with 2023 minimum wage and the negotiated two (2) percent COLAs for Units 1-4, MRG has recommended placing the following 37.5-hour classifications at salary range 320:

- Legal Office Assistant I (37.5)
- Library Assistant I (37.5)
- Medical Office Assistant I (37.5)
- Office Assistant I (37.5)
- Recordable Documents Examiner I (37.5)

To correct compaction within career ladders impacted by minimum wage increases over the last several years, MRG recommends creating 5% differentials by placing the following 40-hour classifications at salary range 343:

- Election Specialist I
- Legal Clerk II (40)
- Legal Office Assistant II (40)
- Medical Clinic Assistant II
- Mental Health Worker I
- Office Assistant II (40)
- Parent Partner II
- Peer Coach II
- Senior Custodian
- Vocational Assistant

To correct compaction within career ladders impacted by minimum wage increases over the last several years, MRG recommends creating 5% differentials by placing the following 37.5-hour classifications at salary range 330:

- Legal Office Assistant II (37.5)
- Library Assistant II (37.5)
- Office Assistant II (37.5)

To correct compaction within career ladders impacted by minimum wage increases over the last several years, MRG recommends creating 5% differentials by placing the following classifications at salary range 353:

- Mental Health Worker II
- Parent Partner III
- Peer Coach III

- Secretary (40)
- Social Service Aide (MSS)
- SSB-Secretary I

To successfully implement Phase 1 recommendations in the County’s HRIS and Payroll system, staff recommendations are for these changes to take effect on December 25, 2022, as this is the first day of the pay period that encompasses January 1, 2023. This implementation would ensure compliance with the 2023 increase to California minimum wage to \$15.50. Additionally, the county wishes to implement the negotiated two (2) percent COLA scheduled for the first full pay period in January 2023 for employees in Units 1 - 11 in compliance with applicable MOUs and Compensation Plans.

FINANCIAL IMPACT:

California minimum wage increases to \$15.50 per hour, effective January 1, 2023. The estimated annual cost of Phase 1 is \$980,000 and impacts approximately 299 Full-Time Equivalents (FTEs). The estimated increase to the remaining portion of Fiscal Year (FY) 2022-23 from December 25, 2022, through June 30, 2023 is estimated at no more than \$509,000 - this calculation is based on allocated positions and does not factor in budget savings from existing vacancies. Moreover, of the up to \$509,000 impact to the remaining FY, approximately \$245,000 has already been budgeted as it represents the 2% negotiated COLA per the MOU. Thus, if a supplemental budget request is necessary, it will be determined at a later date, and take into account actual vacancy rates for the effected budget unit.

The estimated annual costs by fund are detailed below:

FUND NAME	# OF FTE ADJUSTED	ANNUAL COST INCREASE
General Fund	46.54	\$ 91,358
Social Services	145.00	562,557
Mental Health	61.40	223,883
Public Health	22.00	52,712
Substance Use Disorder	4.00	10,766
Roads	4.00	10,767
Child Support Services	9.00	18,965
Library	6.00	6,027
Motor Pool	1.00	2,692
Fund Totals	298.94	\$ 979,727

STRATEGIC FRAMEWORK:

This action supports your Board’s Strategic Framework by investing in county employees .

OTHER AGENCY INVOLVEMENT:

Municipal Resource Group (MRG)

ALTERNATIVES TO STAFF RECOMMENDATIONS:

The Board may choose not to implement Phase 1 and the 2023 COLAs as recommended. However, this is not recommended, as the county would be out of compliance with 2023 California minimum wage requirements and would not be in compliance with implementing 2023 COLAs in compliance with applicable MOUs and Compensation Plans for Units 1 - 11.
