Assessor's Parcel Number: 216-202-010  
Alderpoint area

A Conditional Use Permit for 16,100 square feet of existing outdoor cannabis cultivation. The water source is a point of diversion subject to forbearance which will also provide water for a project on the neighboring parcel under the same ownership (APN 216-202-009). Water storage for the forbearance period is comprised of 32,800 gallons of existing water tanks, and 200,000 gallons of proposed water tank storage for a total water storage of 232,800 gallons. Total annual water use across both parcels is expected to be 229,000 gallons annually. Propagation will occur in a 20'x30' (600 square feet) propagation facility on the neighboring parcel. Bucking and drying will take place on the neighboring parcel in existing facilities that serve the project and cultivation on APN 216-202-009, with trimming and further processing occurring off site. The applicant expects a maximum of thirteen employees during peak operations. The applicant proposes generators as the project power source.
