DISCUSSION:

Immediately upon the close of the polls on Election Day, the county elections office begins the official canvass of the vote. The activities undertaken during the official canvass include:

1. Processing and counting any valid vote-by-mail and provisional ballots not included in the election night totals;

2. A reconciliation of the number of ballots counted, spoiled, or rejected due to damage;
3. Counting any valid write-in votes;
4. Reproducing any damaged ballots, if necessary;
5. Conducting a hand count of at least one percent of the ballots cast in the election; and
6. Reporting the final results as required.

Elections Code Section 15372 requires the county elections official to complete the official canvass no later than the 30th day after the election and submit a certified statement of the results to the governing body, the County Board of Supervisors.

Elections Code, Section 15400, states that the governing board shall declare the results of each election under its jurisdiction as to each measure voted on at the election.

Election Code 15400 states that the governing body shall declare elected or nominated to each office voted on at each election under its jurisdiction the person having the highest number of votes for that office.

In conducting this special election for the district, the county has invited civic engagement while fostering transparent and accessible services.
