A Coastal Development Permit (CDP) and Special Permit (SP) to an Emergency CDP and SP (CDP 17-047E, SP-17-074E approved August 29, 2017), under Humboldt County Code Section 312-15, which allowed the applicant to remove up to 15 hazardous trees from within 50 feet of a habitable structure. The subject trees were mature redwood trees, 20"-50" DBH, with an estimated age of 50 years. The trees showed a measurable lean towards the residence and were close to rubbing against the roof. The roof of the residence and other accessory structures were damaged from falling branches in past storms, and other trees had existing branches that appeared to be weakening.
