DISCUSSION:
The CSAC William “Bill” Chiat Institute for Excellence in County Government is a professional, practical continuing education program for senior county staff and elected officials. Its goal is to expand capacity and capability of county elected officials and senior staff to provide extraordinary services to their communities. The institute was established in 2008 and is a component of the California Counties Foundation, Inc. and CSAC. More than 6,000 county staff and elected officials across the state have taken courses.

CSAC, in partnership with Humboldt County, hosted its second annual CSAC Institute in Northern California that began Jan. 11, 2024, for 10 sessions ending May 17, 2024. Attendees dedicated approximately 45 hours to this intensive leadership in local government training series. Classes included:

- Leadership Fundamentals and Public Service Values
- Empathic Stance in Leadership Roles
- Productivity and Motivation
- Mastering the Art of Effective Communication
- Communicating and Presenting Complex Issues and Data
- Navigating Difficult Conversations
- Resilient Leadership
- Talent Development and Succession Planning
- Inclusive Leadership
- Emotional and Social Intelligence with Priorities

Of the 42 registered attendees 37 were able to complete the series to receive their CSAC credential.

Hosting the CSAC Institute in Northern California continues to optimize management of county resources by providing executive leadership training to county professionals in a cost effect way by reducing time away from the office and reducing costs associated with travel. Previously, county staff would have to travel to Sacramento for each half day training. Additionally, hosting the CSAC Institute in Northern California affords the opportunity for neighboring counties, Del Norte and Trinity, to attend.

In January 2025, the third CSAC Institute in Northern California hosted by Humboldt County will commence. Not only will the CSAC Credential program be available to a new group of emerging leaders, but also for those who were unable to complete their credential in the first or second series. These individuals will have the opportunity to attend sessions to complete their credential program.
