DISCUSSION:
On March 11 Humboldt County Health Officer Teresa Frankovich, MD declared a local health emergency in response to the coronavirus disease 2019 (COVID-19) outbreak in California and beyond. In response to this declaration, on March 16 your Board adopted Resolution 20-20 (Attachment 2) which provided department heads the discretion to close and/or limit in-person interactions with members of the public and staff provided that alternative procedures, such as telephonic and/or web-based services are available and accessible during such closures or times of limited service in their respective departments.

On October 7 Dr. Frankovich provided notification from the California Department of Public Health

that Humboldt County had moved into the least restrictive “yellow” tier under the state’s “Blueprint for a Safer Economy.”

Pursuant to Government Code sections 24257 and 24260 the Board of Supervisors has the authority to establish standardized office hours for the transaction of in-person business for all county offices.

Therefore, staff recommends adopting a revised resolution (Attachment 1) repealing and replacing Section 5 of Resolution No. 20-20 and Section 1 of Resolution No. 20-25 (Attachment 3) making available in-person appointments or transactions for members of the public and county staff during the office hours designated by the Board via Resolution No. 15-25 (Attachment 4). This will also require departments to have a supervisory employee with decision making authority in the office during regular office hours as established by Resolution. No. 15-25 in order to provide community appropriate levels of service. An individual department may consult with the County Administrative Office (CAO) for alternative in-person hours, which may be implemented upon the written approval of the CAO.

FINANCIAL IMPACT:

The adoption of this resolution does not have an immediate financial impact as staffing costs are already included in the fiscal year 2020-21 budget.

STRATEGIC FRAMEWORK:

This action supports your Board’s Strategic Framework by providing community-appropriate levels of service .

OTHER AGENCY INVOLVEMENT:

Not applicable.

ALTERNATIVES TO STAFF RECOMMENDATIONS:

Board discretion.
