DISCUSSION:

The Humboldt County Behavioral Health Board is a requirement of Welfare and Institutions Code 5604 and was established per the Lanterman-Petris-Short Act of 1967. The Behavioral Health Board currently consists of the maximum of 15 members. Members of the Behavioral Health Board attend one monthly meeting, are expected to join a subcommittee, and serve three-year terms.

The County and the Department of Health and Human Services actively support the Behavioral Health Board. Meetings of the Behavioral Health Board are subject to the provisions of the Brown Act. Counties are encouraged to appoint individuals who have experience and knowledge of the mental health system. The Behavioral Health Board should reflect the diversity of the client population in the County. Fifty percent of the membership shall be consumers, or the parent, spouse, sibling, or adult children of consumers who are receiving, or have received, mental health services. The three applicants fall within this guideline.

The Behavioral Health Board has approved forwarding this application to the Board of Supervisors for final approval.
