Title: Miller Creek Farms, Special Permits
Record Number PLN-12221-SP
Assessor's Parcel Number: 220-271-008
Whitethorn area

A Special Permit for an existing 4,350 square feet (SF) of outdoor cannabis cultivation. Irrigation water is sourced from spring and creek diversions. Estimated annual water usage is 14,000 gallons. Existing available water storage is 26,500 gallons. Drying and curing occurs onsite with all other processing currently occurring offsite at a licensed processing or manufacturing facility, although onsite processing is anticipated at a future date. Power is provided by solar and a portable generator, with plans to add more solar onsite in the future or connect to PG&E, if available. Special Permits are also requested for development in the Streamside Management Area (SMA) related to continued use of the point of diversions and fish passage upgrades.
