DISCUSSION:

FNL is a youth-oriented weekly after-school program designed to provide youth with meaningful

involvement in substance and tobacco use prevention. FNL strengthens the skills of youth through youth-involved development of programs. It trains youth on developing the skills to lead and mentor, focused on creating current and future leaders and developing youth as community resources in substance and tobacco use prevention.

Friday Night Live uses shared experiences and peer-oriented programming to encourage a safe and effective environment. DHHS - Public Health will act as the facilitator for local FNL clubs to bring the various club leaders and youth together both in curriculum and physically as possible and useful for programmatic development.

FINANCIAL IMPACT:

Approval of the agency agreement with Tulare County Superintendent of Schools will allow DHHS-Public Health to be reimbursed for facilitation and coordination from July 1, 2022, through June 30, 2023, in the amount of \$9,000 in the Fund 1175, Budget Unit 452, AOD Prevention. These funds were anticipated in Fiscal Year 2022-2023. There is no impact to the General Fund.
