DISCUSSION:

The attached subcontract with Advocates for Human Potential, Inc. (AHP) will allow the Humboldt County Department of Health and Human Services - Behavioral Health (DHHS - Behavioral Health) to receive up to \$985,062.51 for the purpose of providing behavioral health support and prioritizing addressing youth and young adult crisis needs within the community as part of the Behavioral Health Mobile Crisis and Non-Crisis Services Project.

Accordingly, DHHS - Behavioral Health recommends that the Board approve, authorize the DHHS - Behavioral Health Director, or a designee thereof, to execute, the attached subcontract with AHP regarding implementation of the Behavioral Health Mobile Crisis and Non-Crisis Services Project in Humboldt County for the period of September 15, 2021 through June 30, 2025. Staff also recommends that the Board authorize the DHHS - Behavioral Health Director, or a designee thereof, to execute any and all subsequent amendments, and any other agreements, certifications, attestations and documents directly related, to the attached subcontract with AHP, after review and approval by County Counsel, Risk Management and the County Administrative Office, in order to avoid any unnecessary delays in the implementation of the Behavioral Health Mobile Crisis and Non-Crisis Services Project in Humboldt County.

FINANCIAL IMPACT:

Revenues related to the subcontract with AHP include State Behavioral Health Continuum Infrastructure Program (BHCIP) funds for infrastructure and Federal Coronavirus Response and Relief Services Accountability Act (CRRSAA funds for direct services. California Department of Health Care Services

ALTERNATIVES TO STAFF RECOMMENDATIONS:

The Board may choose not to approve the attached subcontract with AHP regarding implementation of the Behavioral Health Mobile Crisis and Non-Crisis Services Project in Humboldt County. However, this alternative is not recommended since it will not allow DHHS - Behavioral Health to obtain funding that will be used to provide behavioral health support and prioritize addressing youth and young adult crisis needs within the community.
