DISCUSSION:

Annually, County of Humboldt departments review fees and charges to determine whether such fees and charges are sufficient to recoup costs associated with providing services to the public. Attachment 1a provides a comparison of the existing fees and charges to those to be effective May 29, 2023. For new fees or those that are proposed to change, calculations supporting the new charge are contained in Attachment 2. Primarily, the changes reflect fees are that being updated and/or clarified after review by the appropriate department to ensure cost recovery of services to the maximum extent possible.

California Government Code Sections 54986 and 66018 require that prior to adopting a resolution or ordinance approving a new fee or changing an existing a fee, the Board of Supervisors will hold a public hearing at which time oral or written presentations can be made.

If your Board adopts the attached ordinance amending and updating the Humboldt County Schedule of Fees and Charges for permits and services of the various Humboldt County departments, it will be effective May 29, 2023, and the new fees will be in effect as of that date, with the exception of the Building and Planning fees, which will go into effect on June 26, 2023.

FINANCIAL IMPACT:

The revised fees reflect updated fees to current costs, the collection of which results in a net zero budget impact.

STAFFING IMPACT:

The adoption of the attached ordinance amending and updating the Humboldt County Schedule of Fees and Charges for permits and services of the various Humboldt County departments will allow departments to collect sufficient fee revenue to cover staffing costs and maintain fee-funded staff.
