It is also recommended that the Board authorize the County Administrative Officer, or a designee thereof, to execute any and all future MOUs regarding the allocation of Measure Z funding following the Board's annual funding recommendations, and any amendments thereto, after review and approval by County Counsel and Risk Management, in order to avoid any unnecessary delays in the allocation of Measure Z funding for future fiscal years.

Finally, it is recommended that the Board receive the attached letter drafted by Glenn Ziemer, Chair of the Measure Z Citizen's Advisory Committee and provide direction to staff regarding a response. This letter addresses a concern among Committee members towards the dwindling funds available for allocation and the observed trend of salaries taking an increasing portion of the available funds as time goes on. It requests a meeting with an appointed subcommittee of your Board to discuss the Committee's concerns.
