Wolfe Parcel Map Subdivision and Special Permit

Case Number: PLN-2018-15012

Assessor's Parcel Number (APN): 504-271-001

441 Hilton Lane, Arcata area

Project: A Minor Subdivision of an approximately 10-acre parcel into two parcels of approximately 2.5 acres and 7.5 acres. The parcel is developed with two residences, accessory structures, a well and onsite wastewater treatment systems. The subdivision will site each residence on a separate parcel. A Special Permit is required for the removal of two trees within the Streamside Management Area (SMA). Pursuant to Section 325-9, an exception request is included to reduce the right of way width and road width. An exception request has been granted by CalFire to allow a reduced road width and an exception to the maximum length of a dead-end road. The applicant will convey secondary (or accessory) dwelling unit rights such that the subdivision does not increase the overall density.

Adopt the Mitigated Negative Declaration and make all the required findings for approval of the Parcel Map Subdivision, including the exception request to allow a reduced right-of-way, based on evidence in the staff report and public testimony, and adopt the Resolution approving the Wolfe project subject to the recommended conditions.
