DISCUSSION:

On Oct. 10, 2019, your Board approved the Sheriff's Department Woodley Island Boat Slip Rental Agreement to utilize a 50-foot moorage facility for its boat at Woodley Island. The boat is used to enforce state and local boating regulations, inspection of vessels, and search and rescue operations.

The Sheriff's Department is requesting Board approval and execution of the attached Woodley Island Boat Slip Rental Agreement for continued use of the moorage facility from Jul. 1, 2021 to Jun. 30, 2022.

A waiver of the Nuclear Free Ordinance is requested because the Boating Unit has decided to use the Marina's standard slip rental agreement, which does not contain the Nuclear Free Ordinance language.

FINANCIAL IMPACT:

Current monthly rental amounts up to Jun. 30, 2021 is Two Hundred Fifty-Two Dollars (\$252.00), which consists of charges for float replacement, dredge surcharge, and moorage costs. Effective Jul. 1, 2021, these costs will increase by approximately Thirty-Eight Dollars and Fifty Cents (\$38.50) for a total monthly cost of Two Hundred Ninety Dollars and Fifty Cents (\$290.50). The Sheriff's

Department will pay 12 months in advance for a total of Three Thousand Four Hundred Eighty-Six Dollars (\$3,486.00) for fiscal year 2021-22. This amount will be paid with funds from the Boating Safety and Enforcement Financial Aid Program in the Sheriff's Boating Safety fund 1100 budget unit 221900.

STRATEGIC FRAMEWORK:

This action supports your Board's Strategic Framework by providing for and maintaining infrastructure

OTHER AGENCY INVOLVEMENT:

Public Works

ALTERNATIVES TO STAFF RECOMMENDATIONS:

Your Board may decide not to approve this rental agreement. However, this alternative is not recommended as Woodley Island is an ideal location from which to operate the boat due to its proximity to other boat uses, availability of parking for Sheriff's vehicles, equipment, meetings, and communications with the Harbor District stationed at the Marina.
