STRATEGIC PLAN:

The recommended actions support the following areas of the Board of Supervisors' Strategic Plan:

Area of Focus: Core Services/Other

Strategic Plan Category: 9999 - Core Services/Other

DISCUSSION:

The Humboldt County Department of Health and Human Services - Social Services' ("DHHS - Social Services") Customer Service Center began operating as a Call Center in December, 2012 in order to provide more efficient customer service in a task-based model. The Customer Service Center became a Regional Call Center with the implementation of Covered California starting with early enrollment on October [Oct.](#) 1, 2013. The dedicated Regional Call Center staff members receive calls transferred from the State of California for all residents within Region 3 and those living elsewhere in California who appear to be eligible for Medi-Cal under the expanded guidelines of the Affordable Care Act. The Customer Service Center currently allows the County of Humboldt to meet the requirements of the Affordable Care Act and other continuing and mandated access and enrollment functions, including, without limitation, the CalFresh and Medi-Cal programs which continue to experience increased caseloads on an annual basis.

The attached purchase agreement with the California Statewide Automated Welfare System Consortium will allow for the provision

of additional software licensing needed to support the expansion of the Customer Service Center. It should be noted that the attached purchase agreement with the California State wide Automated Welfare System Consortium comes to the Board after the start date thereof due to inadvertent delays that occurred during the contract development process.

Accordingly, DHHS - Social Services recommends that the approve, and authorize the DHHS - Social Services Director, or a designee thereof, to execute, the attached purchase agreement with the California Statewide Automated Welfare System Consortium regarding the provision of additional software licensing for the Humboldt County Customer Service Center for the period of April 1, 2024 through July 31, 2025. It isStaff also recommended that the Board authorize the DHHS - Social Services Director, or a designee thereof, to execute any and all subsequent amendments to, and any other agreements, certifications, attestations and documents directly associated with, the attached purchase agreement with the California Statewide Automated Welfare System Consortium, after review and approval by County Counsel, Risk Management and the County Administrative Office, in order to avoid any unnecessary delays in the provision of needed software licensing for the Humboldt County Customer Service Center.
