STRATEGIC PLAN:

This action supports the following areas of your Board's Strategic Plan.

Area of Focus: Core Services/Other

Strategic Plan Category: 9999 - Core Services/Other

DISCUSSION:

In fiscal year (FY) 2022-23, Social Services was awarded an allocation to upgrade technology infrastructure to improve CalFresh application assistance. Department of Health and Human Services (DHHS) Information Services Unit, identified that need to purchase switches to upgrade the overall connectivity at 929 Koster St. As the items were not received prior to the fiscal year end closing the encumbrance for the items were carried forward into FY 2023-24. The appropriation transfer before your Board today will create a fixed asset line item in the current operating budget to account for this purchase and proper accounting. The appropriation will reduce the Building Improvement fixed asset line and create the Equipment fixed asset line item. This will allow for the posting of the fixed asset purchase.
