DISCUSSION:

On March 11, 2020, the Humboldt County Health Officer declared a Local Health Emergency in response to the COVID-19 pandemic. Thereafter, on March 26, 2020 (Item D-1), the Board of Supervisors resolved to authorize department heads, or designees thereof, to execute agreements related to a declared emergency with the requirement that such agreements must be ratified by the Board of Supervisors at the next available Board meeting. In response to this resolution, the Department of Health and Human Services (DHHS) has developed and executed several agreements with local partners. DHHS continues to work with local partners to further strengthen the county's response to COVID-19 and additional agreements are currently in development.

Cost recovery efforts to support the COVID-19 related response efforts will be sought through grant funds and Federal Emergency Management Agency (FEMA) reimbursement. The Redwood Acres MOU will be funded by FEMA reimbursement. Blue Lake Rancheria, SoHum Housing Opportunities, and Arcata House Partnership agreements are funded by a combination of grant funds received through the state for the Project Roomkey initiative, grant funds received from the County Medical Services Program, CARES Act funding, and FEMA funding. These agreements will be supported by Public Health Fund 1175, Budget Unit 455, PH Preparedness and Response.
