Record No.: PLN-2023-18275  
Garberville area

A 15-year extension to the Charles Bar Mining Permit. The mining operation was originally permitted in 1993 for the extraction and crushing of up to 25,000 cubic yards of gravel every 3 to 5 years for County road maintenance. The Humboldt County Department of Public Works has performed four extractions at the site. Crushed material will be stockpiled at designated permanent areas. When no crushing is done, extracted material will be transported to a job site. The bar will be accessed via the designated haul road on the bar directly off of Alderpoint Road. Gravel extraction will be intermittent, with each extraction period lasting approximately three to four weeks. No changes to the original approval are proposed.
