**DISCUSSION:**

Grant funding has been awarded to the Humboldt County Library by the California State Library. The Humboldt County Library will enter in agreement with Humboldt Literacy Project and pay Humboldt Literacy Project for providing adult and family literacy instructions and services to Humboldt County residents. The total award for fiscal year (FY) 2023-24 is \$68,149. The award will be claimed in two stages. In stage one the library will claim 90% of the Adult Literacy award in the amount of \$28,131, and 100% of the Family Literacy Award \$36,892. In stage two the award amount equal to 10% of the Adult Literacy Award in the amount of \$3,126 will be withheld and retained by the California State

Library until all conditions agreed upon in the attached agreement, including submission and grant monitor approval of the interim and final narrative and financial reports, have been satisfied.

The funds will be used to further adult and family literacy in Humboldt County as per the attached Literacy Services Agreement with Humboldt Literacy Project. Services include, but not limited to: recruit clients and counsel adults as to available and appropriate programs, report to the Director of Library Services as to the status of the project, prepare draft report to the State Library, speak to community groups, conduct community outreach, seek other funding sources, recruit, train and monitor progress of tutors, work effectively with other major agencies involved in training and assessment activities, keep records, select materials for client use, conduct in-service training for tutors, and establish procedures for project activity. The services promote the Library’s Strategic Plan Mission, “We strengthen our community by educating, inspiring and connecting people.” These learning opportunities support the Humboldt County Library’s Strategic Plan values of promoting learning and literacy and working with partners toward a shared goal of strengthening our community.
