DISCUSSION:

In accordance with County Code, your Board considers adjustments in Board compensation (as you deem appropriate) at the same time as employees in County representation Unit 4. Your Board elected to hold on any decisions related to compensation until agreement had been reached with all other employee groups. Members of AFSCME are scheduled to receive a 4% salary increase during the term of their agreement.

The attached Ordinance would provide your Board with similar adjustments to base salary provided to AFSCME. It is proposed that the compensation level for the Board of Supervisors also be adjusted from 37.5 hours per week to accurately reflect the weekly schedule of 40 hours per week and that

members of the Board will be eligible for the Wellness Reimbursement Program.

FINANCIAL IMPACT:

The overall estimated cost to the General Fund through fiscal year 2019-20 is \$57,980.
