

COUNTY OF HUMBOLDT

Legislation Text

File #: 23-363, Version: 1

To: Board of Supervisors

From: DHHS: Behavioral Health

Agenda Section: Consent

Vote Requirement: Majority

SUBJECT:

Application Process for Mental Health Services Act Prevention and Early Intervention Program - Local Implementation Agreements Regarding the Provision of Professional Services Intended to Reduce the Impact of Mental Illness within Humboldt County

RECOMMENDATION(S):

That the Board of Supervisors:

1. Approve the attached Mental Health Services Act Prevention and Early Intervention Program - Local Implementation Agreement Application Package;
2. Authorize the Department of Health and Human Services - Behavioral Health Director, or a designee thereof, to utilize application packages that are substantially similar to the attached application package, after review and approval by County Counsel, Risk Management and the County Administrative Office;
3. Approve the attached local implementation agreement templates regarding the provision of professional services intended to reduce the impact of mental illness within Humboldt County;
4. Authorize the Department of Health and Human Services - Behavioral Health Director to execute local implementation agreements that are substantially similar to the attached local implementation agreement templates, and any and all subsequent amendments thereto, after review and approval by County Counsel, Risk Management and the County Administrative Office; and
5. Direct the Clerk of the Board to return one (1) certified copy of the Board Order pertaining to this item to the Department of Health and Human Services - Contract Unit.

SOURCE OF FUNDING:

Behavioral Health Fund (1170)

DISCUSSION:

Proposition 63 was passed by the California voters in November 2004 and enacted into law on January 1, 2005. Now known as the Mental Health Services Act (“MHSA”), this legislation places a one

percent (1%) tax on individuals with a personal income above One Million Dollars (\$1,000,000.00). The 2020-2023 MHSA Three-Year Program and Expenditure Plan that was approved by the Humboldt County Board of Supervisors on October 27, 2020 includes funding that can be expended for the purpose of collaborating with local community organizations to develop and support local Prevention and Intervention programs that are designed to reduce the impact of mental illness through the provision of education, mitigation and prevention services. These collaborative efforts, through Local Implementation Agreements, will be incorporated into the MHSA Three-Year Program and Expenditure Plan for 2023-2026.

The attached application package and local implementation agreement templates will allow the Humboldt County Department of Health and Human Services - Behavioral Health (“DHHS - Behavioral Health”) to help support community-based organizations reduce the symptoms and prolonged suffering that may result from untreated mental illness, encourage improved mental, emotional and relational functioning, increase public awareness and knowledge regarding mental illness and provide timely access and linkage to non-stigmatizing and non-discriminatory mental health treatment and suicide prevention services.

The review and approval process regarding requests for local implementation agreements will be led by DHHS - Behavioral Health staff who have expertise regarding the provision of education, mitigation and prevention services designed to reduce the impact of mental illness and are not affiliated with any community-based organizations who have submitted such requests.

Accordingly, DHHS - Behavioral Health recommends that the Board approve the attached MHSA Prevention and Early Intervention Program - Local Implementation Agreement Application Package and local implementation agreement templates. It is also recommended that the Board authorize the DHHS - Behavioral Health Director, or a designee thereof to utilize application packages, and execute local implementation agreements, that are substantially similar to the attached application package and local implementation agreement templates, and any and all subsequent amendments thereto, after review and approval by County Counsel, Risk Management and the County Administrative Office, in order to avoid to any unnecessary delays in the provision of education, mitigation and prevention services that are designed to reduce the impact of mental illness in Humboldt County.

FINANCIAL IMPACT:

Expenditures (1170477)	FY22-23 Adopted	FY23-24 Projected	FY24-25 Projected
Budgeted Expenses	121,206	120,000	120,000
Additional Appropriation Requested			
Total Expenditures	121,206	120,000	120,000

State/Federal Funds	121,206	120,000	120,000

Fees/Other			
Use of Fund Balance			
Contingencies			
Total Funding Sources	121,206	120,000	120,000

**Projected amounts are estimates and are subject to change.*

Narrative Explanation of Financial Impact:

The maximum amount payable for any and all services provided, and costs and expenses incurred, pursuant to the terms and conditions of a local implementation agreement shall not exceed Twenty-Four Thousand Nine Hundred Dollars (\$24,900.00). A total of One Hundred Twenty Thousand Dollars (\$120,000.00) of Prevention and Early Intervention Program funding is proposed in the County of Humboldt’s MSHA Three-Year Program and Expenditure Plan for fiscal year 2023-2024.

Expenditure appropriations related to the provision of professional services intended to reduce the impact of mental illness pursuant to the terms and conditions of local implementation agreements will be included in the proposed fiscal year 2023-2024 budget for DHHS - Mental Health Services Act budget unit 1170-477. Funding for Prevention and Early Intervention Program local implementation agreements is available from State allocation of Mental Health Services Act revenues received by DHHS - Behavioral Health. As a result, approval of the attached MSHA Prevention and Early Intervention Program - Local Implementation Agreement Application Package and local implementation agreement templates will not impact the Humboldt County General Fund

STAFFING IMPACT:

Full degree of staffing impact will not be known until applicants are selected and the individual scopes of work have been determined. The Local Implantation Agreements are an annual project and requires the support of the existing MSHA Coordinator and the MSHA analyst, the average time spent supporting LIA can range from 5 to 15 hours per month.

STRATEGIC FRAMEWORK:

This action supports your Board’s Strategic Framework priority of protecting vulnerable populations creating opportunities for improved safety and health, supporting self-reliance of citizens and providing community-appropriate levels of service.

OTHER AGENCY INVOLVEMENT:

None

ALTERNATIVES TO STAFF RECOMMENDATIONS:

The Board may choose not to approve the attached MSHA Prevention and Early Intervention Program - Local Implementation Agreement Application Package and local implementation agreement templates regarding the provision of professional services intended to reduce the impact of mental illness within Humboldt County. However, this alternative is not recommended since it would significantly limit DHHS - Behavioral Health’s ability to address the impacts of mental illness through the provision of education, mitigation and prevention services.
