**DISCUSSION:**

Recently, 515 J Street in Eureka became available for lease. This two (2) story building contains over 4,400 square feet of office space in very good condition, along with dedicated parking. The building is currently divided into three (3) separate suites, one (1) on the ground floor and two (2) upstairs. This property is located less than one (1) city block from the Humboldt County Courthouse.

With approval of this lease, Conflict Counsel will occupy the majority of the premises at 515 J Street. The offices of Conflict Counsel have been located at 935 3<sup>rd</sup> Street since July 2012. A 2018 Americans with Disabilities Act (ADA) assessment of the building at 935 3<sup>rd</sup> Street identified multiple

accessibility barriers. Due to the nature of the open ADA barriers at 935 3<sup>rd</sup> Street, Eureka the best course of action was determined to relocate Conflict Counsel, accordingly the county’s ADA Compliance Plan is recommending this program for relocation to 515 J Street. In addition to Conflict Counsel, one additional small program will also be relocated to one of the upstairs suites at 515 J Street. This program has not yet been determined.

515 J Street has been assessed for accessibility barriers. It has significantly less barriers than Conflict Counsel’s existing location at 935 3<sup>rd</sup> Street. However, 515 J Street will still require work to be in compliance with ADA. The county’s ADA compliance team will perform the ADA barrier removal at this location. There is a benefit for the county to perform these improvements in a manner that will fit the needs of the programs being relocated. Barrier removal is expected to cost approximately \$220,000 and will be completed in two (2) phases. Phase one will be the public facing service on the ground floor and Phase 2 will be the remaining barriers. Funds for barrier removal efforts will be paid from the 2020 the Finance Plan.

Due to its ideal location and good condition, this facility has also been identified by staff as an beneficial location to pursue as a property acquisition. Such an acquisition would support a greater ownership of property as well as being able to expand and consolidate county facilities into a campus-like setting, two (2) important goals of the 2020 Facilities Master Plan. As a result, this lease includes an exclusive right to negotiate the purchase of 515 J Street during the initial 18 months of the four (4) year term of the lease. The price of acquisition is yet to be determined. The price will be negotiated with the owners based on an appraisal by an independent licensed commercial appraiser.

**Narrative Explanation of Financial Impact:**

Per the lease, upon receipt of the Commencement Date Notice, the county shall pay \$7,806.75 per month for use of the premises with an annual escalation of 3%. The cost of the lease at 515 J Street for the remainder of fiscal year (FY) 2023-24 is \$62,454. Should your Board approve this request, the balance of General Fund Contingencies will be \$995,331.

Costs associated for ADA barrier removal for the public facing services located on the ground floor of 515 J Street, Eureka are estimated to be \$85,000 in FY 2023-24. Additional barrier removal to bring the full building into compliance with the ADA are estimated to be \$135,000 and will be paid from the 2020 Finance Plan in FY 2024-25.

The total cost of the purchase of 515 J Street, Eureka is unknown at this time. 2020 Finance Plan funding has been set aside for the purchase.

STAFFING IMPACT:

Should the county decide to place Conflict Counsel at 515 J Street, there will not be any impact to county staffing levels.

STRATEGIC FRAMEWORK:

This action supports the following areas of your Board's Strategic Framework.

Core Roles: Provide for and maintain infrastructure

New Initiatives: Provide community-appropriate levels of service

Strategic Plan: 4.3 - Create campus-like county facilities with co-located services that are desirable to work and be in, in consultation with the cities

OTHER AGENCY INVOLVEMENT:

None

ALTERNATIVES TO STAFF RECOMMENDATIONS:

Your Board may decide not to approve this lease. However, staff recommends the approval of this lease since the current Conflict Counsel facility is not ADA compliant. Additionally, this lease allows the county to exclusively negotiate the purchase of 515 J St, which is in line with multiple goals of the 2020 Facilities Master Plan. Lastly, an opportunity to lease or acquire a similar facility in a similar location is unlikely.
