A lot line adjustment, general plan amendment, zone reclassification, and a conditional use permit (CUP) for the construction and operation of a mini-storage. The site would consist of two parcels - a small 5,500-square-foot (sf) residential lot on the northern end of the site and a 2 acres lot supporting the mini-storage. The general plan designation boundary between the Commercial General (CG) and Residential Medium Density (RM) designations and the corresponding zoning boundary between the Neighborhood Commercial zone (C-1/GO) and Apartment Professional residential zone (R-4/GO, Q). Will be modified to follow the new property boundary. The final design, dimensions, and configuration of the storage units have not been determined; however, based on preliminary plans, the overall footprint of the storage units and the office would not exceed 37,000 sf.
