DISCUSSION:

Since 2015, the Board of Supervisors has approved the professional service agreements between the Department of Health and Human Services - Social Services (DHHS - Social Services) and Fiscal Experts, Inc. for the Time Study Buddy web-based time study service.

The agreement before your Board today will allow DHHS to enter into a 4-year term agreement with Fiscal Experts, Inc. beginning July 1, 2023 and ending June 30, 2027. The annual cost of the agreement is \$80,500. The total cost of the agreement will be \$322,000 for the period of July 1, 2023 through June 30, 2027.

The California Department of Social Services employs a state-supervised, county-operated public assistance system which requires social workers, eligibility workers, employment and training workers, fraud investigators and administrative support staff employed by the Humboldt County Department of Health and Human Services - Social Services (DHHS - Social Services) to complete a time study which identifies the amount of time providing services on a quarterly basis.

This process is a mandated requirement from CDSS and Fiscal Experts, Inc. has met and continued to meet expectations of DHHS - Social Services and the needs of staff in identifying time spent on providing a variety of services. This service continues to assist DHHS in time study reconciliation including resolving mathematical errors, providing a comprehensive list of audit trail reports, and reconciling payroll time sheets. The web-based time study service is a necessary tool used in Social Services financial reporting.
