Narrative Explanation of Financial Impact:

The Monument Road (3F020) Post Mile 0.00 Storm Damage Repair Project is being funded by Federal Emergency Management Agency (FEMA) Disaster Recovery Funds (up to \$1,619,987.25), the California Governor’s Office of Emergency Services (up to \$404,996.81), City of Rio Dell (50% of remaining costs), and the Humboldt County Road Fund (50% of remaining costs). The total project cost is estimated at \$2,282,575. The Humboldt County Road Fund will be responsible for \$128,795.47 of the total costs associated with the Monument Road (3F020) Post Mile 0.00 Storm Damage Repair Project. Expenditure appropriations relating to completion of the Monument Road (3F020) Post Mile 0.00 Storm Damage Repair Project are included in the recommended fiscal year (FY) 2023-24 Road Fund Budget (1200321-8940).

Projects are paid in arrears with anticipated funding coming from FEMA as mentioned above. The FY 2021-22 Annual Road Report, completed by the State of California, reflected an estimated negative fund balance of \$8.8 million in the county’s Road Fund. Even after allocating nearly \$6.8 million of American Rescue Plan Act (ARPA) funds to the Road Fund in order to reduce the negative fund balance, the current estimated fund balance remains negative by approximately \$11 million.

This negative balance is partially due to the timing of FEMA reimbursements to the county, which can take years for the county to receive repayment. The current total of outstanding repayments is approximately \$11.5 million. The department utilizes other state and local funding, such as Regional Surface Transportation Program funds, for the Humboldt County Road Fund match for reimbursable projects. Despite those additional funding sources, Road Fund projects are underfunded and will very likely have a negative impact on the General Fund if additional revenue sources are not secured.

STAFFING IMPACT:

Narrative Explanation of Staffing Impact:

Awarding the project agreement for the Monument Road (3F020) Post Mile 0.00 Storm Damage Repair Project will not impact current staffing levels.

STRATEGIC FRAMEWORK:

This action supports your Board's Strategic Framework priority of providing for and maintaining infrastructure .

OTHER AGENCY INVOLVEMENT:

Federal Emergency Management Agency, California Governor's Office of Emergency Services, City of Rio Dell

ALTERNATIVES TO STAFF RECOMMENDATIONS:

The Board of Supervisors may choose not to award the Monument Road (3F020) Post Mile 0.00 Storm Damage Repair Project to Mercer-Fraser Company. However, this alternative is not recommended because the project will restore the roadway to pre-disaster conditions using funds that would not otherwise be available to the County of Humboldt
