DISCUSSION:

Public Works requests your Board approve an advanced salary step for John Conn, Road Maintenance Worker I (Class 0238A, Range 357). Staff is basing this request on the fact that Mr. Conn already had extensive experience with the job duties equal to a Roads Maintenance Worker I and has been performing these duties since his date of hire, Nov. 13, 2023. During this time, Mr. Conn has performed above expectations in this position. With his work performance, experience and Class A Commercial Driver License, Public Works would like to advance his salary to step D, which will bring him closer to what the local wage scale is for this type of position.
