A Minor Subdivision of a 0.33 acre parcel to create two parcels of 5,886 square feet and 5,033 square feet. The parcel is currently developed with a single family residence and a detached garage. The applicant is also applying for a Variance to allow proposed Parcel 1 to be developed at 40% lot coverage instead of the 35% required by the Residential Single Family (RS) zone. An exception is also requested to allow access from a 30 foot wide right of way which is less than the 50 foot standard under the subdivision regulations. The parcel is located within the Coastal Zone and requires a Coastal Development Permit for the subdivision. Both resultant parcels will be served with community water and sewer by the Humboldt Community Services District. Note: this project was approved under PMS-13-013, however, that approval has expired.
